Troops in Rome Streets

Italian Ships Tied Up As Tension Increases

ROME (AP)—Strong detachments of troops appeared at strategic points in downtown Rome today, leading to momentary conjecture Premier Mussolini might be about to make his long-awaited speech on European affairs, but they turned out to be there for another kind of celebration.

The troops "guarded" the streets against student demonstrations after the dedication of a bust of Fortunato Mizzi, founder of the pro-Italian Maltese Nationalist Party.

Meanwhile, as a sequel to published claims of British persecution of Italians in Malta, a committee for Maltese action was formed in Rome to agitate for Italian interests on the island.

The committee, composed of Maltese living in Rome, is headed by Carlo Malita, Minister of Justice, in a former Maltese nationalist government.

NEW COMMANDER
Premier Mussolini today appointed Marshal Emilio de Bono, 74-year-old veteran of Italy's colonial campaigns, commander of Italy's "southern army group."

What this army is and where it will operate are not known. Hitherto the Italian army has been in two sections, one under Marshal Pietro Badoglio and the other under Crown Prince Umberto.

Three railway trains of 35 cars each, painted with the Red Cross, stood ready in Rome's switchyard, apparently to speed away to the succor of bombing and battle victims.

Two trains also were ready to take British and French diplo-

omats to the frontier in case Italy enters the war.

MASS MEETINGS

Italy watched for Mussolini's reaction to the latest French overtures for continued Franco-Italian peace as a potential indication of whether or when he may be expected to announce Italian entry into the war.

But it seemed to many that no matter what Il Duce's reaction might be, the last reasonable doubt that Italy will forsake her nonbelligerency was removed last night. At that time all branches of the Fascist Party were told to hold themselves in readiness for announcement of a series of mass meetings to hear Mussolini speak.

As usual under the Fascist regime there was no hint of when that declaration, to be made from the premier's palace in the Piazza Venezia, might come. But it was in this connection that Mussolini's reaction to last night's speech by Premier Paul Reynaud of France was expected to prove important.

Reynaud's Speech Seen as Factor
Of interest to Italy was Reynaud's statement that for "spectators of the battle of France" the "time is measured" for their understanding that "there are no people with whom France cannot settle by peaceful means divergencies of interests which appear to oppose them."

The belief was expressed in some quarters that this was an expression of the French stand toward disputes in the Mediterranean.

One well-informed Fascist labelled Reynaud's statement as "very important," but there were widespread indications that Mussolini's call to arms might come quickly if he were not impressed by the French premier's speech.

The first newspaper comment on Reynaud's speech came from Il Resto del Carlino of Bologna, which said it was "extremely sorry" it had heard now, instead of a few days ago, Reynaud's statement that "there are no peoples with whom France can not settle."

The newspaper said that, if France truly desired to repair the errors of the past, it could do so by seeking an immediate peace with Hitler; restoring Germany's pre-world war colonies; indemnifying Germany for her war expenses; giving Italy Corsica, Nice, Savoy, Tunisia and Djibouti, as well as indemnifying Italy for the cost of her military operations.

Italy Sends Ships To Neutral Ports
NEW YORK (AP)—The Italian Line today reported all Italian ships on the high seas had been ordered into neutral ports.

Italo Verrando, New York manager of the line, said the order canceled all sailings and that all Italian ships were safe. He said the order had come directly from Rome.

Indications that the line was forewarned of the move and prepared for any eventuality were seen in Verrando's comment: "We do not expect to get much more from Rome; we have our orders and will follow them."

Several weeks ago the Italian Line rushed its huge passenger liners Rex, Conte di Savoia, Roma and others to Italian ports and postponed their sailings.

Asked if this means war, Verrando said: "I don't know, but it looks like it."

Several Italian vessels were in eastern United States ports. The Italian freighters Arasa, Ausa, Alberta, San Leonardo and Brennero were in New York harbor and the Belvedere was at Philadelphia.

Verrando said other Italian vessels in American waters were expected to put into U.S. ports between Key West and Cape Hatteras by noon today, indicating speed was a necessary factor in the Italian plans.

BACK AT ASTORIA
PORTLAND, Ore. (AP)—The Italian freighter Leme, bound for Trieste, Italy, returned to Astoria at 12:15 a.m. today after crossing out of the Columbia River last night. It was learned it recently canceled a call at British Columbia ports.

FRANCE AND ITALY
BERLIN (AP)—Informed German sources said tonight that Italy's entry in the war depends on two things:

1. Destruction of the French air force.

2. Distraction of French attention by a gigantic operation such as a siege of Paris.

Italy, these sources said, cannot undertake to join arms with Germany in warfare so long as France is in position to make quick retaliation against Italy and her overseas possessions.

Enemy Roads, Bridges Bombed

R.A.F. Pounds Nazi Army, Checks Raids on England

LONDON (CP)—The Air Ministry announced today that during "45 minutes of almost incessant bombardment" at Abbeville yesterday, Royal Air Force bombers scored direct hits on main roads and railway bridges at the principal exits of the town.

In the region of the Bresle River, about 17 miles south of Abbeville, one wing of the Nazi forces was trying to turn the Allies' left flank in the German offensive toward Paris and Le Havre.

More than a ton of heavy bombs and a large number of smaller ones were dropped in an earlier 10-minute attack on "columns of armored fighting vehicles with their attendant supply lorries," the ministry's announcement said.

Important bridges over the Somme estuary were the objectives of the later raid, it said, reporting three direct hits on a "vital one."

The ministry said the raiders dropped to within 1,200 feet of the ground and met "intense anti-aircraft fire from mobile gun batteries."

R.A.F. MAN KILLED
An Air Ministry statement today on the German raids on Britain last night said:

"Further reports of last night's air raids show that at one Royal

Air Force airbase bombs were dropped on the flare path, killing one airman. Elsewhere attacks were ineffective."

Bombs fell in the outskirts of a small town in north Yorkshire, but caused no damage. A 60-year-old man collapsed and died in an air-raid shelter, however.

The Air Ministry reported German planes crossed the British coast at several points. A check showed air raid alarms lasting 40 minutes to three hours were in effect through coastal districts of the counties of Durham, Yorkshire, Lincolnshire, Nottinghamshire, Norfolk, Suffolk, Kent, Sussex, Surrey and Hampshire.

A warning also was given in a Hampshire town where an airplane, spotted in searchlight beams, dropped flares and then fled.

Residents of the southeast coast said they saw red flares far out to sea and a "bright red blob" of light that plummeted toward the sea and vanished, as if a plane had fallen in flames.

PEOPLE SHAKEN
A resident of a town in Lincolnshire related "I heard the sound of planes overhead and then a faint bang some distance away. Then came louder explosions which shook people in buildings a quarter of a mile from where the bombs fell."

Free Currency Market Ends

Official Sterling Rates For U.K.'s Foreign Trade

LONDON (CP)—The British treasury tonight announced regulations designed to ensure that all current foreign business is conducted at official sterling rates and to denude the free market for sterling.

No licenses will be given henceforth for the sale in the United Kingdom of securities owned by persons resident outside the sterling and franc areas. Canada is outside these areas, mainly because its dollar is so closely tied with the United States dollar.

All exports from the United Kingdom to the United States and Switzerland in future will have to be paid for in sterling obtained from the British exchange control at official rates, or else in United States dollars or Swiss francs, respectively.

IN U.S. CURRENCY
Exchange will normally be provided in their own currencies to residents in the United States and Switzerland in respect of commercial and current financial payments (including interest and dividends) due them.

As regards transactions with other countries outside the sterling and Allied areas, broadly the same effect will be achieved by extending the system of payment agreements and special accounts which enables settlement to be effected in sterling through official channels at official rates.

Regulations requiring payment for certain exports in specified foreign currencies now have been revoked in the case of countries other than the United States and Switzerland. Similar arrangements have been, or will be, made by other countries in the sterling area.

Exports affected by the revocation include jute, rubber, tin, whisky, fur and diamonds to certain countries, including Belgium, the Belgian Congo, the Netherlands and the Netherlands Empire, and countries of South and Central America.

AT OFFICIAL RATE
It is considered the measures will further reduce the volume of sterling that can be dealt in on foreign markets and will enable the United Kingdom's foreign trade to be conducted on a basis of sterling at the official rate.

A treasury statement said: "This will ensure the benefit of a stable rate both to ourselves and to countries with whom we trade. It will moreover ensure that full value is received for our exports, either in the form of imports into this country or in the form of currencies which are urgently required for payment for materials, foodstuffs and munitions essential to the prosecution of the war."

Official quarters do not feel the new regulations will have any marked effect on trading between Canada and the United Kingdom. It is pointed out that exchange control bodies in the Dominion and Britain have been co-operating so closely that conditions which the regulations are designed to meet have been nonexistent in trade between the two countries.

However, the stop-order in licenses for the sale of securities in the United Kingdom will hit Canadians who deal in trans-Atlantic stock trading.

LICENSES FOR CANADIANS
This regulation will cut off one

of the principal sources from which sterling has become available to nonresidents of the so-called sterling and franc areas for sale in the free market.

For some time it had been necessary for a foreign holder of securities to obtain a license before he could realize on them in the United Kingdom market.

With rare exceptions no more such licenses will be issued except to residents in French areas of control.

However, because of the co-operation between the Canadian and British exchange control organizations it is considered likely that Canadian traders will not have great difficulty securing the necessary licenses.

CANADA AND FRANCE
OTTAWA (CP)—An agreement has been reached between the Canadian and French governments, it was learned today, for close control over all foreign exchange, similar to that in effect between Canada and Great Britain.

It is a broad payments agreement relating to control of foreign exchange involved in exports and imports and puts new power in the hands of the foreign exchange control board here.

Such payments now will only be able to be made through the exchange board.

'Many Germans Wish Nazi Defeat'—Mann

PRINCETON, N.J. (CP)—Millions of Germans in Germany, those who want "to live with the rest of the world, not to be any longer outlaws destined only to hate and be hated," are hoping the Nazi armies will be defeated in the war, says Thomas Mann, exiled German author.

"That is not too optimistic," he stated in an interview marking his 65th birthday. "In a country of 80,000,000 people, there are all those who were suffering all the time under the indecency of the Hitler regime. They are only waiting for a military defeat."

The "great danger" for Germany is that if Hitler goes on to further military successes the "German of decency and good and belief in culture will disappear," said Dr. Mann, who was awarded the Nobel Literature Prize in 1929.

Dismemberment of Germany is the "reasonable issue of the whole problem of Germany's place in the world, he said, adding: "It is not true that I am anti-German. I am convinced by the suffering of the Germans under the Nazi regime many have the same idea. They are tired of power politics and this whole course of nationalism."

Britain Gets Dive Bombers

U.S. Reserve Planes, Supplies to Allies

BUFFALO, N.Y. (AP)—Formalities shrouded in secrecy apparently are all that stand in the way of prompt delivery to the Allies of 50 United States naval reserve warplanes.

More than 30 dive bombers were flown to the Buffalo airport yesterday and last night from naval reserve bases at Floyd Bennett Field, New York; Gross Pointe, near Detroit; Anacostia, Md.; and the Great Lakes training station near Chicago.

The navy department announced in Washington that these craft are being turned into the manufacturer, the Curtiss Aeroplane division of Curtiss-Wright, against future deliveries of new planes of a superior type, equipped with leakproof tanks and armor.

Curtiss-Wright officials said they had received no official permission from the navy to resell the bombers to the Allies, and declined further comment.

However, an authoritative source close to the aircraft manufacturing situation, who declined to be quoted by name, said representatives of the Allied purchasing commission in Washington are expected here shortly to consummate purchase of the land-type bombers. He added that the entire 50 planes mentioned in the navy announcement would be here before nightfall.

The SB-2C planes were flown here by naval reserve officers.

NEW LEGISLATION
WASHINGTON (AP)—President Roosevelt today disclosed he was asking Congress for legislation which would permit the United States government to trade in old types of guns and thereby complete the government's power to turn-back-to-manufacturers all kinds of surplus equipment.

He said he was sending a request to Senate leaders to incorporate the authority in pending legislation.

EARLY SALES
While Mr. Roosevelt did not say so, the effect of the procedure would be to make large stores of U.S. war supplies available for sale to the Allies by private firms.

The President told reporters that authority already exists to turn back airplanes and ammunition to manufacturers.

The navy yesterday turned back 50 warplanes—most of them dive bombers for sale to the Allies.

But the power to turn in equipment does not exist for such things as the old .75 cannon.

One short but possibly significant statement ended the press conference.

Asked for comment on an edi-

torial in the New York Times which said the time had come for the United States people to adopt a national system of universal, compulsory military training, the President said he had read only the first paragraph and that he had liked it. He did not amplify that point.

The President had no estimates of how many planes or guns or what quantity of ammunition might be turned back to manufacturers.

Asked whether new equipment could be turned in, the President said it could not. But he added that planes could get out of date darned fast.

Defence Rules To Be Reviewed

OTTAWA (CP)—Prime Minister King's resolution for setting up a select committee of Parliament to study and revise, if necessary, the Defence of Canada Regulation, is among motions of which official notice has been given.

Passed under authority of the War Measures Act, the regulations provide for "internal security and prevention of sabotage, the treatment of aliens, the control of means of communications, the safeguarding of information likely to be useful to the enemy, the control of trade, shipping, civil aviation, transport and other activities."

Mr. King's resolution will move that the committee be appointed "to consider and review the aforementioned regulations; with power to send for persons, papers and records; to examine witnesses under oath and to report their opinions and observations from time to time to the House."

Move to Build Tanks in Canada

OTTAWA (CP)—A delegation of Canadian engineers will proceed to the United Kingdom within a few days to discuss manufacture of tanks in Canada.

Much of the difference of opinion evidenced in the Commons as to the feasibility of making tanks here had been due to widely different ideas of tanks themselves, the minister said.

Hon. C. D. Howe, Munitions Minister, said in giving the information to the House.

While the American military experts had one idea, the British had another and the British had changed their ideas of what constituted an effective tank in the experience of recent days, although the British government was experienced in that field.

It was true that Canada could make a tank, as some had claimed, but it depended on the type of tank, Mr. Howe said. The munitions and supply department had had a large and expert organization working on the problem, yet people said glibly that it could be done.

The minister, who spoke in reply to statements by Dr. H. A. Bruce, Conservative, Toronto-Parkdale, in the debate on unemployment relief, made clear he was talking of the type of tank which recent events had shown was required in the field. Canada could produce an alloy steel up to maximum thickness of two inches, but the tank he was talking about had armor steel more than twice that thickness.

Week's War Orders Total \$11,872,710

OTTAWA (CP)—The Department of Munitions and Supply broke all existing Canadian purchasing records last week by awarding 1,089 contracts amounting to \$11,872,710.

Contracts in excess of \$5,000 each include: Horn Bros. Woolen Co. Ltd., Lindsay, Ont., \$93,690; Dominion Woolens and Worsteds Ltd., Toronto, \$169,415; Zephyr Looms and Textiles Ltd., Guelph, Ont., \$238,575; Wright's Canadian Ropes Ltd., Vancouver, \$12,674; Messrs. Swinmaster Corporation Ltd., Grand Forks, N.D., \$21,151.

Mechanical Transport: Canadian National Railway Co., Montreal \$10,300; General Motors Products of Canada, Oshawa, Ont., \$4,440,294; Ford Motor Co., of Canada Ltd., Windsor, Ont., \$4,585,810; Ford Motor Co. of Canada Ltd., Windsor, Ont., \$62,627.

May Widen Enlistment

OTTAWA (CP) — Canadians who are permanent residents of Great Britain have not yet been made eligible for enlistment in Britain with the Canadian forces, Defence Minister Rogers told the House of Commons.

There have been exceptions to this rule in the case of a number of individuals possessing special qualifications for particular appointments.

The question of wider enlistments is receiving the attention

BRITAIN CLIPS LUXURY GOODS

LONDON (CP)—The government has ordered restrictions on retailers' supplies of a wide range of luxury goods, including hosiery, pottery, glassware and cutlery.

Major Gwilym Lloyd George, parliamentary secretary to the Board of Trade, announced the order in the House of Commons. It will restrict supplies in the next six months to one-third of the value supplied in the corresponding period of last year. After six months the restriction will be three-fourths of the quantity supplied in the like period of the previous year.

Another order prohibits the supply of certain types of machinery except under license for government departments.

Major Lloyd George said the restriction ordered would release additional labor for munitions manufacture and would conserve supplies of steel and other metals.

Sir Kingsley Wood, Chancellor of the Exchequer, told the House that all causes of delay in the production of munitions must be eliminated and said that if firms were "handicapped by lack of money for wages and materials"

Called Soldier Fool; Will Serve 6 Months

EDMONTON (CP)—Convicted on a charge of uttering subversive statements, Frank Pittingola, Edmonton pool-room owner, was sentenced in police court to six months in jail.

According to evidence given during the hearing, Pittingola had called a soldier a fool when he joined the army.

MONTREAL (CP)—John Gudiski, 24-year-old wrestler of Brooklyn, N.Y., was fined \$50 by Judge C. E. Guerin here after conviction on a charge of violating the Defence of Canada Regulations.

Provincial detectives testified Gudiski had said he would "put a bullet through" President Roosevelt if the United States entered the war.

Gudiski, described as Lithuanian-American, was accused of boasting in a restaurant that he was an agent of Hitler. He was accused also of insulting a Canadian soldier by shouting to him to discard those "rags" (uniform) and go home instead of going to fight for the Allies.

Training Urged For Young Men

OTTAWA (CP)—Rejection of large numbers of would-be army recruits, because of physical unfitness, was a serious indictment of Canada's social system, M. J. Coldwell, C.C.F., Rosetown-Biggar, Sask., declared in the Commons last night during discussion of the pensions and health department estimates.

Mr. Coldwell said it was a matter for reproach that young men were allowed to deteriorate until it became necessary to recondition them for the army.

Howard C. Green, Conservative, Vancouver South, suggested young men rejected for overseas service be given an opportunity to enlist in works battalions or some other untrained and disciplined units forming part of the war effort.

Council of 100 For City of Montreal

QUEBEC (CP)—Over-riding bitter criticism by opposition members, the Quebec Legislative Assembly by a vote of 44 to 10 last night passed in second reading a government bill amending radically the city charter of Montreal.

Granting sweeping powers of additional taxation to the debt-ridden city, the measure also adds 64 aldermen to the city council of a mayor and 35 aldermen. Only members of a six-man executive council, to be chosen among the aldermen's ranks, and the mayor will receive pay for their services.

Believed Gen. Prioux Held By Germans

PARIS (AP)—French sources today said they assumed that General Rene Jacques Adolphe Prioux, who commanded the rear-guard which covered the retreat of 335,000 Allied troops from Flanders, had been taken prisoner by the Germans.

There has been no word from Gen. Prioux since reports that he and part of his army were surrounded by the Nazi armies in the north.

Compulsory Training Urged for U.S.

NEW YORK (CP)—The influential New York Times called today for compulsory military training in the United States "in the interest of self-protection."

"We say this as a newspaper which has never before believed in the wisdom of such a policy in time of peace," said the newspaper in its leading editorial.

"We say it because the logic of events drives us remorselessly to this conclusion."

What of Russia?

TO HAVE SUGGESTED A MONTH OR SO ago that Britain send Sir Stafford Cripps as her ambassador to Moscow would have been almost tantamount to high treason. Mr. Chamberlain, Sir John Simon, Viscount Halifax, Sir Samuel Hoare and others who could be mentioned would have promptly gone into verbal hysterics. Yet this stormy petrel of the Labor bloc, this unblinking left-winger whose legal practice is possibly one of the most lucrative in the land, the man with whom Trades Union officialdom is scarcely on speaking terms, is on his way to or has probably arrived at the Russian capital accompanied by credentials which clothe him with full ambassadorial authority. And while nobody has forgotten Stalin's order for the invasion of Finland or will under any circumstances attempt to condone his brutal and unprovoked assault on a peaceful country, the stark reality of the moment is that Britain and France will feel much more at ease if they are reasonably assured Soviet Russia does not propose to stand idly by if Germany or Italy, or both, extend the war to the Balkans. Mr. Churchill obviously is not concerned with ideological polemics.

It was about this time last year, incidentally, that Britain was supposed to be employing all her diplomatic arts and wiles to persuade Russia to join the anti-Hitler bloc. At various stages of the negotiations the British public, clamoring for really practical and speedy action, was informed that complete agreement was imminent. Trading on the apparent indifference attitude of the Chamberlain government, however, the Nazi chief sent Foreign Minister Joachim von Ribbentrop to Moscow—with full powers to act—to see what he could do. The net result of his mission to the Soviet capital was the elimination of the only formidable obstacle standing in the way of Germany's plans to rape Poland. Whether the "deal" of last August will eventually have a boomerang effect on the Teuton partner to it remains a matter for lively speculation. It is nevertheless evident that if the government in London last summer had listened to the repeated warnings from many public men, business leaders, eminent journalists in close touch with the continental European diplomatic scene, the history of the last nine months would probably differ substantially from the record.

The Challenge

WHEN THEY BUY WAR SAVINGS Stamps and Certificates Canadians will be measuring their devotion to democracy and freedom. Totalitarians have been telling us that our ideals of liberty of thought and action are meaningless and that our way of life inspires only a lukewarm devotion.

To the extent that we loan our money to Canada will the answer be given to this indictment. To the extent that we buy Stamps we will tell whether or not devotion to democracy and liberty does exist; whether there exists the reality of democratic responsibility, of democratic loyalty, of democratic unity. In France today the watchword is: Advance or die. In England Mr. Churchill exclaims: "I offer you blood, tears, toil and sweat." And he adds: "For all that Britain means, I appeal to you. . . . We must save ourselves from the black night of barbarism." The real challenge of War Savings Certificates is the challenge of whether the fibre of democracy is as strong as the fibre of dictatorship. The challenge of whether the discipline of the lash is as powerful as the discipline of freedom.

Let Canadians, by buying these War Savings Certificates, by answering with all and the least of their means the great cry for help that goes up, show how strong is the discipline of freedom. Let them determine that it will be remembered in years to come that Canada did not vent her anger at brutality and injustice solely in words and gestures, but that it turned at least a part of it into sacrifice for freedom in freedom's hour of dire need.

'Purge' of Munich 'Remnants'

IF POLITICAL DEVELOPMENTS IN Paris and London in the last 48 hours mean anything at all, they mean that both Premier Reynaud and Prime Minister Churchill intend to remove—whatever that may connote—all those public servants who were the originators and operators of the policy known as "appeasement." France's former Premier Daladier, who until Wednesday was Minister for War, has been dropped and the government reorganized. It is also noted that "a certain number of personalities known for their attachment to the policy of compromise" have since been arrested—"new proof," says an official spokesman at the Quai d'Orsay, "of the determination of our country to pursue the war with our Allies to complete victory." Five persons "prominent in Paris society," whose names are given, are now in the hands of the police.

Yesterday's dispatches from London intimated that clamor for a "purge" of the Munich "remnants" from representatives of all shades of political thought persists in a steady crescendo, with the resignation of former Prime Minister Chamberlain, now Lord President of the Council, described as "widely demanded." Chancellor of the Exchequer Sir Kingsley Wood—one of Premier

Churchill's surprise appointments—is also near the top of the list of eminent persons whose names for a long time were synonymous with high office in the state, but who are considered "unsuitable" at this time. Under the shadow also are Lord Simon and Viscount Caldecote. Still another demand is for a housecleaning in the civil service, currently accused of "muddling."

Practically all those who occupy key positions in Mr. Churchill's cabinet, of course, are men who openly assailed Mr. Chamberlain and his extraordinary policy of "appeasement" and warned him repeatedly, before and after Munich, that it would be highly dangerous to continue to treat the two totalitarian chiefs as if they were harmless old gentlemen. In view of the fact, therefore, that M. Reynaud has removed the French delegate to the obsequies of Czechoslovakia, it is not likely Mr. Churchill will feel inclined to impose any further on the good offices of the other member of the duo who secured "peace in our time" in the ancient Bavarian city 21 months ago.

Apart altogether from the staggering change in the march of events since Hitler began his invasion of the northern European countries—the change which has caused all Allied countries to take stock of their potentialities—Canada, as the senior overseas Dominion, now is assured of the kind of co-operation which not only will assist her to go the limit on her own account but also to go the limit in her assistance to Britain and France. All in good time, of course, the real story behind Canada's war effort and the Dominion's collaboration with the government of Mr. Chamberlain will be told. Some of it is coming out gradually in the House of Commons debates; more of it is known to the opposition leaders.

Two Points?

BERLIN SUGGESTS TODAY THAT TWO things will determine Italy's entrance into the war on the side of Germany. They are: 1. Destruction of the French Air Force. 2. Distraction of French attention by a gigantic operation such as a siege of Paris. It is also intimated in the Nazi capital that Mussolini cannot undertake to join arms with Hitler in warfare so long as France is in a position to make quick retaliation against Italy and her overseas possessions.

After all the overdone theatricals surrounding Mussolini's technique for the "great moment" the intimation from Berlin has a humorous twist. Italian dispatches and comments today, of course, are phrased as if Il Duce were on the verge—the very verge this time—of delivering himself into Hitler's arms. The points mentioned by the Berlin authority, of course, may conceivably have entered Mussolini's mind as he has studied authentic information about air raids on Germany proper. But after weeks of intense press-agitating such considerations are scarcely likely to worry the would-be Caesar.

Influential Italians who are more concerned about their country's weaknesses than they are about the political future of Mussolini and his intimate cohorts naturally are wondering how the Fascist war machine will stand up under the pressure Britain and France will apply from the moment hostilities begin. Mussolini's troops in Spain cut a sorry figure; he will find this war quite different from that. Peace-loving Italians in their own land may get a taste of what the Ethiopians went through in theirs.

Notes

Agriculture's new starchless potato can never go far. The nervous gourmet would always fear it was about to collapse, like one of those shirts finished by the wife.

In an Alaskan theatre, the price of admission to Eskimo patrons is one smoked salmon. It develops into sort of a barter, with the entertainment being provided by one unured man.

Says the Cowichan Leader, editorially: "The 'cocky' attitude of German nationals which has been reported in Duncan and elsewhere since the German army crashed down on small nations, one at a time, is 'pretty hard to take.' When it comes to gloating aloud over what will happen when Germany takes over here, it is past time for calling a halt."

ON THE AMERICAN FRONT

From Toronto Globe and Mail

General John J. Pershing, who commanded the United States troops in the last war, has not wavered in his view that the Allies' greatest mistake was in not pressing the war deep into Germany to let the German people know the truth. As it was, there was no fighting on German soil. All the damage and slaughter occurred in France and Belgium, and it was easy for German leaders to convince the people that the Allies gave up. Out of this developed the series of psychological victories which kept the nation warlike and recreated the machine on which the Germans now depend for the fulfillment of the destiny in which they believe.

General Pershing is still fighting for the Allies with a realism which even the isolationists and intellectual pinkies must respect. He repeats with his customary honesty that "the Allies protected us during more than a year of preparation. They provided us with the material." He is not seeking refuge in a confusion of excuses, because he knows the facts.

Nor is he certain that the United States can avoid fighting again, but in any event he urges his country to prepare. He knows what it is to attempt to fight without proper equipment.

As I See It

By ELMORE PHILPOTT

WHO ATTACKED TROTSKY?

IF HITLER FULFILLS his boast that the destiny of Europe is going to be settled for the next 1,000 years by the battles now in progress, we will not need to worry about the answer to certain other puzzles. But if he does not win the battles as decisively as he hopes, we will have to wait for the answer to three more puzzles: What will Italy do? What will Russia do? What will the United States do?

I think what both Italy and the United States will do is already reasonably clear. The great mystery of this war remains the policy of Soviet Russia, and the power of Soviet Russia. Nine months after the big double-cross bargain between Hitler and Stalin the final intentions of the Soviet remain as much of a mystery as ever. Is the Stalin regime so completely in the grip of Hitler's agents and Hitler's technicians that Russia literally cannot make a move on her own account, however much she might wish to do so? Or is Russia still the ultimate master of the whole central European situation—just biding her time to make her next move?

There is a lot of superficial evidence which suggests that the first named is near the truth. Demaree Bess has written numerous articles over a period of years which have proved sound in the light of subsequent developments. His present classification of Russia is that of "Hitler's first dominion."

THE KEY IN MEXICO

BUT THERE IS A GOOD DEAL of other evidence to suggest that the Soviet has surrendered none of the basic Communist aims for world revolution. One of the most elementary of these aims is to transform Imperialist wars into civil wars. The time is obviously approaching when the Communists are going to have to try their revolutionary tactics in such countries as Germany or else go out of the picture permanently as an important force.

Strangely enough, I think the real clue to the reality of the situation in Russia might conceivably be found in Mexico! Who organized the gang which tried to kill the Trotskyites a couple of weeks ago? Was it Joe Stalin, just having another crack at his historic enemy? Or was it Himmler's disguised Blackshirts—trying to put out of business an important Communist-in-waiting who might still be able to make real trouble for those who already picture themselves as world masters?

My own guess is that the recent course and tempo of this war is the last thing desired by the ruling class in Moscow. Communism might reasonably be expected to come into power in one or more countries of Europe after a long and exhausting war. More specifically, only two outcomes of the war could possibly be in line with Soviet wishes—one which saw Germany weak and exhausted and disillusioned, and hence a ready-made place for the next Red push; the other would be a strong triumphant Germany completely friendly to Red Russia.

Obviously, a quick, easy victory for Hitler would write "finis" to the whole Marxian program, as understood in this century. Therefore it would seem to me that Russia would be certain to take steps in the next few weeks to throw some kind of a monkey wrench into Hitler's machinery. If she does not do so, my conclusion would be that Communism as a revolutionary force is all washed up, and might henceforth be considered a mere adjunct of Hitler's nihilism.

If I were betting my own money on who tried to kill Trotsky I would put it on Himmler, and not Stalin. Nazi agents have been pouring into Mexico by the hundreds in the last few months. Hitler is obviously soon going to give Mr. Roosevelt something to think about right across his own back fence.

HORRIBLE SPECTRE

I DO NOT PROFESS to be able to understand the real relationship between Germany and Russia, but would bet that if both Hitler and Stalin stay in power for another three years there would be far more of the Russian system in force in Germany than vice versa.

The most horrible possibility which faces the world is a synthesis between Nazi nihilism and Russian communism, in which the economics of Marx would be linked to the politics of Hitler—that is, a totalitarian state in which the ruling class, or Nazi party, would own everything, including the bodies, minds and souls of all the people.

That is a possibility to which too many left-wingers, in this country as in others, seem to be woefully blind. With the western world locked in a life-and-death struggle they may, indeed, live to see the world revolution predicted by Karl Marx and others. But I doubt the left-wingers will think so much of it, if they see it, through the barbed wire of the concentration camps, or standing blindfold with their backs to stone walls, before Nazi firing squads.

Free men prefer death to surrender. If freedom is lost, life won't be worth living anyway.

Maybe it doesn't indicate anything, but in the old days it wasn't considered necessary to make things foolproof.

"Civilization may be crushed by the Nazi heel." And that choice of names shows a rare and tactful restraint.

A bore is a person who talks you limp and frantic; a boor is a public benefactor who tells him to shut up.

Letters to the Editor

SHOULD REFUSE TO LISTEN

To the Editor:—In view of reports of harmful physical and mental effect caused through listening to gruesome, misleading and grotesque statements made in certain broadcasts and by some commentators, it cannot be too strongly urged that our people refrain from tuning into the stations responsible for these broadcasts which bear the earmarks of 5th Column activity.

Ever since the outbreak of the war the nefarious propaganda of Nazis agents over certain stations has been too evident to permit of any other consequence.

On the other hand our Canadian broadcasts have consistently maintained a policy of truthfulness, neither minimizing setbacks nor exaggerating gains.

This is no time for allowing ourselves to be influenced by the subversive tactics of our enemies. From whatever angle the situation is viewed, there can be only one result of the present conflict and that is a complete Allied victory over the gangster oligarchy in Germany. Calm reasoning and unbiased appraisal of the resources of both sides place the issue beyond doubt. But we must have faith above all refuse to have our nerves disturbed by listening to the jittery effusions of subsidized enemy agents.

SUCCESS AND SALVATION OR SHIPWRECK

To the Editor:—The Anglican Church recently conducted a conference at New Westminster, B.C. At this conference a movement was launched to make obligatory the reading of portions of the Bible in public schools. It is hoped to obtain "the co-operation of all other religious bodies—Roman Catholic and Protestant." In an impassioned speech, David Stevens declared British Columbia to be the only province in Canada which makes no provision for some kind of religious instruction in its schools. A recent survey, said Mr. Stevens, showed that 60 per cent of Vancouver school children know nothing of Christ or religion. The London Times, in a leading article, "Religion and the Nation," now being quoted in many different countries, calls for an "spiritualization of the whole educational process." Bishop Cody of the diocese of Victoria says that "religion must form the very basis of any education worth the name." Professor M. L. Jacks of Oxford calls for "a Christian philosophy of education expressed in and through all subjects and activities."

Thus we see the whole world waking up to the truth that education without religion is worse than worthless. It is positively corruptive. It is against the temporal and eternal interests of individuals and nations.

But how much good will it do to have irreligious professors, cynical agnostics and sponsors of a devitalized Christianity reading or even expounding the Bible? And where is the sincere Non-conformist who would want the Anglican mould put upon his children?

There is no satisfactory alternative to a Christian education in Christian schools operated by the various denominations. Nations that have drifted away from religion are making shipwreck of civilization. Youth without the background of a Christian education are liable, sooner or later, to make shipwreck of their lives. When will the Christian churches wake to the fact that when Christ said, "Render unto Caesar the things that are Caesar's" He did not include the souls of a nation's youth? When will they recognize that when Jesus said "go teach," that command was given to the church and not to the state?

SUNDAY MOVIES

To the Editor:—I have received the following letter from a movie worker:

"Re opening theatres on Sunday from the staff's point of view. I have been a theatre worker, also an operator of two theatres. They work six days a week. They have no weekly half-holiday. They work all bank holidays, including Christmas Day. They work all other holidays that are proclaimed as such. They work a broken day from noon till 11 o'clock. Some of them do not come under the Minimum Wage Act. It would be impossible to have a fresh staff for Sunday alone, so the usual staff would be employed, and that would mean seven broken days a week all through the year. I can assure you they look forward with a good deal of pleasure to Sunday, when everybody is away from work and they can plan accordingly. Six days out of seven is enough pictures for any sane person. Catering for the Sunday pictures, I have always thought a crime against the theatre workers. There was 12 days in a week, with 11 or 12 pictures days, there would still be a certain class who would clamor for

Capt. R. W. Porritt Helped Fairbridge

The announcement last Saturday of the death of Capt. Richard W. Porritt while in action in Flanders has more than a passing interest for Victoria.

During the memorable visit of Their Majesties to Canada last year, Capt. Porritt, Conservative member of the British House of Commons for Heywood and Radcliffe division of Lancashire since 1935, was impressed, like so many others, with the arduous task so magnificently performed by the Royal couple. When the most westerly point was reached and the King and Queen set foot upon Vancouver Island, Capt. Porritt determined to commemorate the event in a tangible and practical manner. He established in England a trust fund of \$25,000, invested in Canadian securities, the income of which is to be paid to the Prince of Wales Fairbridge Farm School at Cowichan for the maintenance of its work for the youth of Canada and the British Empire.

Through the medium of the Beaver Club, an employees' welfare and social organization of the Hudson's Bay Company's store here, a draft in the amount of \$200 was recently sent to W. A.

McAdam, B.C. House, London, for the purchase of comforts for Canadian troops overseas. In addition to this a further sum of \$300 has just been raised, which will be added, to similar sums raised in other Hudson's Bay Beaver Clubs across Canada, for the purchase of a fully-equipped ambulance, the cost of which is \$2,070. This purchase will be made immediately and presented to the British Red Cross.

PARIS—The battle in the region to the north of Arras, the most stubbornly contested conflict of the war, today continued with undiminished fury. Artillery duels of the most terrific and deadly nature were the features of today's fighting.

NEW YORK—Local labor leaders have been notified by St. Louis labor men that they have received copies of a secret circular asking Americans to dynamite ammunition plants and wreck trains in order to stop the exportation of materials to Britain.

Those listed as wounded in the latest casualty list include Lance-Corpl. G. Bird, 7th Bn., Pte. D. Campbell, 16th Bn., and Pte. C. D. Holmes, 7th Bn., Pte. N. E. Sandler, 15th Bn., is listed as missing, and Lieut. H. C. V. MacDowell and Pte. D. McNicoll, 16th Bn., are prisoners.

Capt. Percy Shadforth, well known local mariner, will leave Victoria in a few days to offer his services to the British admiralty. He expects to receive an appointment to a mine-sweeper or a transport. For the past four years Capt. Shadforth has been master of the whaling tender Gray.

Polished Stones Museum Exhibit

"Beauty in stones" will be the name of a new exhibit which has been donated to the provincial museum.

It is a collection of cut and polished stones picked up from the beaches along the Dallas Road waterfront and artistically worked by J. F. Bledsoe, 252 Cook Street.

Mr. Bledsoe, who has long been noted for his extraordinary collection of polished stones, has already given 100 of them to the museum and intends to fill a complete showcase.

\$500 DONATION TO BUY BLANKETS

The general meeting of the Britannia Branch of the Canadian Legion Tuesday night voted \$500 for the purchase of blankets for the Red Cross to be shipped to England and France for refugees.

The branch is asking that a R.C.A.F. recruiting office be opened in Victoria with a medical board in view of the large number of boys and young men of the island who are interested in joining the air force.

The Salvation Army's drive for \$20,000 in Greater Victoria which opens Monday for a week, was voted \$200. In passing the motion that the sums be donated, members referred to the fine work the army did in the last war among the troops overseas.

A meeting of the 48th Battalion, 3rd Canadian Pioneer, will be held tomorrow evening at 8 in the Britannia Branch clubroom.

Mayors' Conference

VANCOUVER (CP)—Mayor J. Lyle Telford today was traveling to Ottawa, where he will attend the annual conference of the Canadian Federation of Mayors and Municipalities.

Before leaving the mayor said he would "exert every effort" to induce the federation to request the government to accelerate plans for evacuation of British children to Canada.

Photograph Value Judged By Action

"The publicity value of any photograph is greatly enhanced if the subject matter is so composed as to make it easy for anyone to visualize themselves as active in the scene. In this way the features of accessibility and interesting action are paramount in a good selling photograph," said W. H. Currie, before members of the British Columbia Civil Service Camera Club at a meeting held in club headquarters on Burdett Avenue Wednesday night.

Mr. Currie of the British Columbia Government Travel Bureau spoke to the members on "Publicity Value in Photographs," and illustrated his lecture with Travel Bureau photographs.

H. Whittaker, a member of the club's executive committee, presented the organization with an enlarger, which will be used by all members of the club. Plans for a monthly exhibition and permanent salon display of photographs taken by club members, were discussed and a committee was formed to look after the work being done in this connection.

A photographic picnic will be held by club members on June 13. Arrangements for the outing are being made by the social committee.

A quiz program, dealing with the obstacles to be overcome by the cameraman, was conducted by George Armstrong.

George Alexander, president of the club, acted as chairman.

Strawberry Vale

The regular meeting of St. Columba W.A. was held Tuesday afternoon at the home of Mrs. F. Stacey, Snowdrop Avenue. It was arranged to hold the annual garden party June 19 at the home of Miss Milne, Portage Avenue. It was further decided to con-

tinue the meetings of the auxiliary during the summer months, the next meeting to be held July 2 at the home of Miss Brown, Helmecken Road.

A card party organized by the Misses Nora Plaxton and Patsy Gilham was held Wednesday evening at the home of Mr. and Mrs. Nairn Plaxton, Holland Avenue. The affair was under auspices of the Strawberry Vale Red Cross Unit, and the proceeds amounted to \$23.75. At 500, the following were winners: 1st, Mrs. G. Austin and R. L. Cull; consolation prizes, G. Austin and Mrs. Plaxton; cribbage, Mrs. M. Nicholls and A. Hubbard were first, with consolation prizes going to Mrs. P. Thame and W. Jones. Two weeks ago, the Misses Plaxton and Gilham organized a similar party at the home of Mrs. Gilham, Wilkinson Road, the proceeds from the two functions enabling the unit to send in to Red Cross headquarters the sum of \$32.

Mrs. J. P. Hicks Is President

The annual meeting of Rockland Park W.C.T.U. was held on Monday at the home of Mrs. F. L. Eilers, Quadra Street.

The president, Mrs. F. W. Laing, who is recovering after her recent illness, sent her good wishes and asked for the prayers of the members. Mrs. Zinkon was reported in hospital. The devotional period was taken by Mrs. Pettigrew and Mrs. Twamley.

Departments reporting were: Press, Little White Ribbons, Sunday school study course, medal contest, finance, library and literature and sick visiting. Plans were made for study of booklets written by Miss Bertha Palmer. A picnic will be held on July 11, in the Japanese tea gardens at the Gorge Park, to which all members and friends will be welcome.

Election of officers resulted as follows: Honorary president, Mrs. F. W. Laing; president, Mrs. J. P. Hicks; vice-president, Mrs. Geo. Holt; secretary, Mrs. J. Pettigrew; corresponding secretary, Mrs. J. A. Mossop; treasurer, Mrs. L. A. Moody.

A letter was received from the T.B. Veterans announcing their coming tag day and asking support. Mrs. Eilers Sr. poured tea and assisting in serving were Miss Giles and Mrs. Eiler Jr.

Engagements

Mr. and Mrs. S. H. McLean of 1430 Pembroke Street, announce the engagement of their third daughter, Lillian Hannah, to Rodrick Bruce McKicking, younger son of Dr. and Mrs. A. E. McKicking, Linden Avenue. The wedding will take place quietly on July 5 at the Fairfield United Church.

Mr. and Mrs. T. Wallace, 636 Grenville Avenue, announce the engagement of their younger daughter, Evelyn Ruby, to Lance Corporal Norman M. Rennie, 1st Canadian Scottish, son of Mr. and Mrs. E. Rennie, Toronto. The wedding will take place quietly at the home of the bride's parents this month.

Mr. and Mrs. R. S. Bingham of Lytton, have announced the engagement of their eldest daughter, Lorna Isabel, to Mr. William M. Cameron of Nanaimo, eldest son of Dr. and Mrs. W. A. Cameron of Toronto.

The marriage will take place at Canadian Memorial Chapel, Vancouver, late this month.

Red Cross Tea

Lovely spring flowers decorated the tea tables and the auditorium at the Oaklands School Wednesday afternoon when the ladies of Quadra Street School joined the ladies of Oaklands at a tea in aid of the Red Cross.

Approximately \$80 was realized, this including a donation of \$5 from the Oaklands school children.

Mrs. R. McInnes, convenor of the unit, welcomed the guests and presented Miss Fitzgibbons of the Victoria Red Cross, who spoke briefly of the great need of materials. A short musical program followed and tea was served to about 125 ladies by Mesdames A. L. Stevenson, W. Robinson and Thorne of Quadra Street and Mrs. Robbins and Mrs. Rutter of Oaklands. Mrs. Hampton of Oaklands and Mrs. Miles of Quadra were in charge of the tea tickets and Mrs. Stevenson and Mrs. Gribble were at the home cooking stall. The cake donated by Mrs. Gribble was awarded to Miss E. McLeod.

Wanted Keel Tribute

OXFORD, England—In her will, Lucy Rose of Filkins asked that no flowers be sent to her funeral by her friends, "except flowers from a hedge or from their own gardens."

An enjoyable time was spent at "Edzellun," Davida Avenue, the home of Mr. and Mrs. J. Smart, when a number of friends paid a surprise visit on Tuesday evening to congratulate them on the occasion of their 25th wedding anniversary. On behalf of the assembled guests Mrs. Smart was presented with a handsome cut glass bowl. Later bridge was played and a buffet supper served from a table on which stood the beautifully decorated wedding cake.

Miss Isobel Barnes and Mrs. A. B. Taylor entertained Monday evening at the home of the latter, Miss Isobel Anderson, who has been spending a few days in Victoria with Mrs. Anderson's brother-in-law and sister, Mr. and Mrs. F. C. Patterson, Craigdarroch, left this afternoon en route home. In Seattle Mrs. Anderson will attend tomorrow the graduation of her daughter, Miss Isobel Anderson, at the University of Washington.

Weddings

BIGGS-BROWN

A quiet wedding was performed at 11.30 o'clock Wednesday morning at the Fairfield United Church when Rev. N. J. Cress united in marriage Ella Isabelle, younger daughter of Mr. and Mrs. W. A. Brown, 660 Beacon Street, to Mr. Harold Raymond Biggs, son of Mr. and Mrs. Biggs, Wellington.

The bride was attired in a navy blue triple sheer suit, navy hat and white accessories. She wore a corsage bouquet of Sweetheart roses and fern. She was attended by her cousin, Verna Pomfret, who wore a navy blue printed silk dress. With this she wore a white hat and accessories, and a corsage bouquet of Tallman roses and fern. The best man was Mr. Howard Mezger.

The reception was held at the home of the bride's parents, attended by immediate relatives of the bride and groom.

Mr. and Mrs. Biggs will spend their honeymoon in Vancouver. They will reside in Victoria upon their return.

STANFIELD-FRAZEE

VANCOUVER (CP)—The marriage took place here Wednesday in Canadian Memorial Chapel of Nora Joyce, younger daughter of Mr. and Mrs. C. Weston Frazee of Vancouver, and Robert Lorne Stanfield, third son of Mrs. Stanfield of Truro, N.S., and the late Hon. Frank Stanfield, former Lieutenant-Governor of Nova Scotia.

Given in marriage by her father, the bride was attended by her sister, Mrs. J. E. R. Wood. Her brother, James Frazee, was Mr. Stanfield's groomsmen.

Sheer white illusion—net in misted fullness molded the wedding gown, the bodice distinguished by a sweetheart neckline and long tight-fitting sleeves above the swirling width of the skirt, which lengthened into a train. The headress was a copy of an Italian renaissance mode, with a veil extending to the hips and in overall to the shoulders. The bride carried a shower bouquet of white gardenias and stephanotis.

After a reception at the home of the bride's parents, Mr. and Mrs. Stanfield left for a wedding trip to Lake Louise and Banff. They will live in Truro.

GORDON-DURRANCE

A quiet wedding took place on May 31, when Mabel Gladys, youngest daughter of the late Mr. John Durrance and Mrs. N. Durrance, West Saanich Road, and Mr. Leonard Louis Gordon, eldest son of Mr. and Mrs. Louis Gordon, Highland district, were united in marriage at First United Church, with Rev. Hugh A. McLeod officiating. The bride wore a Hawaii blue coat and hat, with white accessories and a corsage bouquet of carnations and sweet peas. After a motor trip to Alberni, Mr. and Mrs. Gordon will make their home on Durrance Road, West Saanich.

JONES-PRENDERGAST

Mr. and Mrs. H. F. Hamersley, Crescent Road, Victoria, announce the marriage of their third daughter, Mrs. Cecilia L. F. Prendergast, to Mr. E. Norton Jones, of the Colonial Administrative Service, son of the late D. Norton Jones and Mrs. Jones, Harrow, Middlesex, England. The marriage took place on May 24 in Harrow.

GARDEN CITY

The silver tea and sale of home cooking held Wednesday afternoon at the home of Mrs. A. P. Fryatt, Snowdrop Avenue, was well patronized. The program included a Chinese checker contest. The tea and refreshments were served under supervision of Mrs. Fryatt, assisted by Mrs. D. Reid.

Members of Garden City Explorers' Group entertained their mothers and friends on Wednesday afternoon on the occasion of their closing exercises of the season held at Garden City United Church. An excellent musical and dramatic program was presented including vocal and instrumental selections, and dialogues. Those taking part included Kathleen Macham, Vera Hardy, Margaret Stewart, Jocelyn Young, Barbara Brooks, Brynd Mannex, Joan Palmer, Alice Lewis and Doreen English. The group was under the leadership of Miss Muriel Rudd, assisted by Miss Anne Stewart.

The W.A. to Pro Patria Branch, Canadian Legion, will hold a whist social at the Westholme Hotel, at 2.30 o'clock tomorrow.

prettily arranged with a hand-made pewter bowl of pink roses and nepets, lighted by lavender tapers in matching holders. The guests were Mesdames A. Macdonald, D. D. McTavish, C. S. Gonnason, E. McLeod, N. Burdick, M. Woods, and Misses Marion Wingate, Davina Dingwall, Kay Burnett, Peggy and Mary White, Geraldine Kent, Gwen Reid, Ruth McTavish, Diana Darling and Margot Hughes.

(Turn to Page 9, Col. 3.)

HENDRY-ANDERSON

The marriage of Dorothy, only daughter of Mr. and Mrs. George Anderson, Vernon, and Mr. George Hendry, eldest son of Mrs. J. E. Smith, Blenkinsop Road, Victoria, took place at 2 on Wednesday afternoon at the home of the bride's uncle and aunt, Mr. and Mrs. Robert Gray, 1774 Garlick Street.

During the ceremony, which was conducted by Rev. James Eood in the presence of relatives and a few friends, the bride and groom stood before a fireplace which was banked with ferns and red roses, between baskets filled with vari-hued Russell lupins and Canterbury bells.

The bride was given in marriage by her uncle, Mr. Oscar Anderson, Vernon, and wore a pretty afternoon frock of crushed clover sheer and a tiny hat of pastel-shaded flowers with a stiff veil at the back. She carried an arm bouquet of pink roses, pink carnations and blue scabiosa. Miss Felicia Smith, the bridesmaid, was in a powder blue dress with a white hat, and held a bouquet of blue delphiniums and rose snapdragons, and Mr. Vernon Anderson, brother of the bride, was best man. The bride's cake, surmounted by a large pink rose, centred the supper table which was decorated with vases of mauve and pink sweet peas.

Mrs. Gray, in a mauve sheer gown with white accessories, was assisted in receiving the guests by Mrs. Smith, in a grey and navy blue ensemble, and both wore corsage bouquets of pink carnations and mauve sweet peas.

After a honeymoon up-Island, for which the bride left in a powder blue dress and hat, and wine accessories, Mr. and Mrs. Hendry will take up residence in their new home on Taylor Street.

NAYLOR-JEFFS

Interesting to Victoria friends is the announcement of the marriage of Mr. James Alfred Naylor of the P.P.C.L.I., only son of Mr. and Mrs. Edward Naylor, 816 Dunsuir Road, Victoria, and Miss Edith Jeffs, youngest daughter of Councillor and Mrs. Jeffs, 29 Lloyd Street, Parkgate, England, which took place on Saturday, April 20, in St. Paul's Church, Parkgate, by special licence. Rev. C. Evans officiated. The bride, who was given away by Mr. Henry Chapman, wore a pale clover two-piece dress with hat, gloves and shoes to tone. She was attended by Mrs. Elizabeth Chapman as matron of honor. A reception was held at the home of Mr. George Jeffs, in Rotherham, at which 30 guests were present.

KUTZCHAN-DUFFY

A pretty wedding was solemnized in Holy Trinity Church, Patricia Bay, on Monday afternoon when Miss Gladys Grieverson Duffy, Vancouver, became the bride of Corporal George Robert Kutzchan, of the R.C.A.F., Patricia Bay station.

The bride wore a becoming grey tailored suit, navy and white hat with accessories to match. Her corsage bouquet was of gardenias and roses. She was given away by her father, Mr. Decimus Duffy, Vancouver. The bridegroom was supported by Sgt. Andrew Dunn, of the R.C.A.F. The marriage ceremony was performed by the rector, Rev. T. R. Lancaster. Mrs. H. G. Horth played the wedding music.

A delightful reception was held at the home of Mr. and Mrs. Norman Shillito, where the bride and groom received the good wishes of the many guests. Out-of-town guests included Mr. and Mrs. Declan Duffy, Vancouver, Mr. and Mrs. J. E. Irving, Mrs. W. Calverley, Miss Joan Nottingham and Mr. Harry Irving, all of Nanaimo.

On their return to North Saanich Mr. and Mrs. Kutzchan will take up residence on Third Street, Sidney.

Defence of Great Britain Is Their Problem

Leaving a conference at the Admiralty on an anxious day recently, Prime Minister Winston Churchill and Gen. Sir Edmund Ironside are shown as they passed a barbed-wire barricade in a London street. Ironside acknowledges the salute of a sentry. The former chief of the Imperial general staff has been given charge of Britain's home defences—a job that has not worried the tight little island seriously since William the Conqueror made his successful invasion in 1066.

BACKGROUND FOR CHILDHOOD, 1940—With childish lack of comprehension, these Parisian youngsters unconcernedly play amid the ruins of houses wrecked by German bombers in full-scale air raid on French capital. (Radiophoto).

SHOT AT GERMANS—German planes making the first mass bombing attack on Paris remained 25,000 feet—over four miles—up in the air as French anti-aircraft guns fired the war's heaviest aerial barrage. This sandbag gun station, in a Paris park, is one of scores that blasted against invaders.

AIRMEN FIGHT BLAZE AT CAMP BORDEN—Members of the R.C.A.F., at present training at Camp Borden, were called upon to extinguish a blaze which destroyed a pilot officers' residence and for a time threatened other buildings in the camp. Quick action on the part of the airmen enabled them to save most of the contents of the building and to prevent the flames from spreading.

GIBRALTAR PREPARES FOR ATTACK FROM AIR AND SEA—An aerial view of Gibraltar, Britain's mighty fortress at the entrance of the Mediterranean which once more is looming as one of the key points in the present war. If Italy should plunge into the war, as

she is expected to do any day, Gibraltar will undoubtedly be subjected to Italian aerial attacks. Italy also attempted to have General Franco launch an attack from Spain, on the mighty fortress, but the Spanish leader insisted that Spain would remain neutral.

READY TO PEPPER PARACHUTISTS—Within sight of London's famed St. Paul's Cathedral, city workers of the Empire's capital receive instructions in marksmanship during their lunch hour. They are members of Britain's volunteer home defence unit which has been organized to shoot down enemy parachutists and halt possible Trojan horse activities. The city workers take shooting lessons on the roofs of office buildings.

LOST PARENTS IN WAR TREK TO PARIS—At the Gare Du Nord, Paris, France, a nurse takes care of children who lost their parents during a flight along civilian-choked roads leading from homes in Belgium and the north of France. The refugees fled before the brutal German military machine, which continually bombed and strafed them.

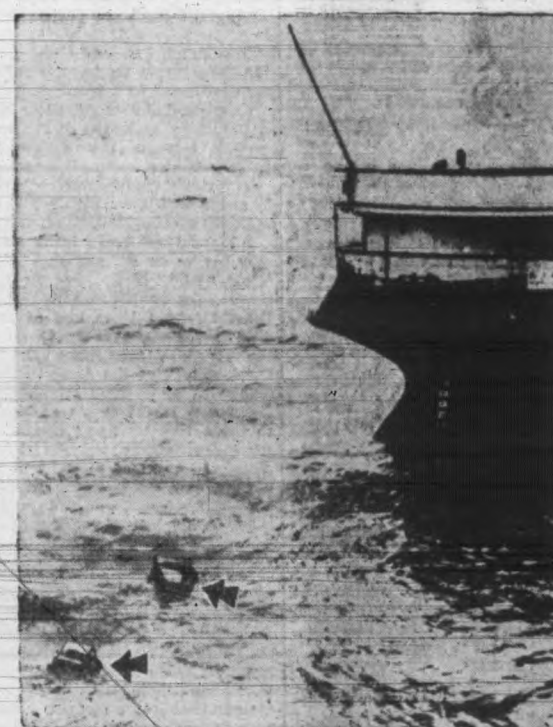

SAFE IN THE ARMS OF THE LAW—Little Guy Rivans, one of the many refugees from Belgium and Holland, recently arrived in London for evacuation to new "homes" in England, is shown safe in the arms of the law—being carried to a coach at a clearing station from where he entrained.

Which Will Be Strawberry Queen?

Marjorie Wood, Mount View High School, Florence Edwards, Mount Douglas High School, and Norma Poulson, Mount Newton High School, shown above, left to right, are contestants for the honor of queen of the Saanich Strawberry Week Festival, which will be held next week. The queen will be chosen by a vote of five-cent ballots now on sale, and will be crowned on the steps of the Parliament Buildings on the evening of June 15. Prior to the ceremony, a parade will be held through the streets, in which the queen and her attendants, berry pickers, floats, motorcycles, bands and the Victoria Girls' Drill Team will participate.

AIR ATTACK VICTIMS RESCUED—Despite continuous bombing by Nazi planes, a refugee ship stops to pick up helpless victims of war (arrows), clinging to wreckage of their transport. The location of the action, was probably off Dunkerque during evacuation of the Allied army trapped in Flanders.

PRESSED INTO SERVICE—These ancient cars, hauled from jalopy "graveyards," black the area on either side of a major British highway as troops stand guard. The cars, which long ago outwore their usefulness as vehicles, form a barricade against any possible fifth columnist moves.

Fox-Grove Star

Former Hits Homer to Win Sports Mirror

By PETE SALLAWAY

THEODORE FRANCIS WILLIAMS, outstanding major league baseball recruit of 1939 and currently batting well over .300 for the Boston Red Sox, says he would like to quit baseball and be a fireman.

Although generally considered the most powerful left-handed hitter since Babe Ruth, Ted Williams insists he would rather answer a four-alarm than be one by swatting the ball for four bases.

The season has barely started, yet the 21-year-old Williams asserts he is fed up with it all... wishes it were finished.

"I'd quit tomorrow if I knew where I could get another job," declares Williams, who as baseball's brightest young star is paid something like \$12,000 for six months of what would be play to the average boy of his age.

Williams tells teammates he'd take the examination as a fire fighter at once if assured he wouldn't have to wait too long for an opening.

Williams' talk is ridiculous, of course, but officials of the Boston club are alarmed at their prize's present attitude.

Owner Tom Yawkey and others have talked to the youngster without results.

It is feared Williams is developing into the anti-social, moody and introverted type which might conceivably run off and join some fire department and be perfectly happy. He has become something of a loner.

While Jimmy Foxx thinks the world of the thin young man who bats ahead of him, Williams is said to be envious of the slugger who was an outstanding performer when the San Diego lad was in knee breeches.

Red Sox say Williams was lower than he has been at any time since he joined the club when in Detroit Foxx smacked his second home run with the bases full in two days.

"Williams has to be the whole show," assert teammates. "He sulks when he isn't."

When Williams fell behind in the home run race this spring, he told the Red Sox he intended to be a punch hitter.

Although he played half his games in Fenway Park, where the right field target for a left-hand hitter is 380 feet from the plate, Williams manufactured 31 circuit clouts in 1939.

Boiling customers and criticism get under Williams' skin. "I batted .500 against Cincinnati pitchers—Watters, Derringer and all—on the spring training trip," he explains, "and had a .380 average when I failed to hit in four trips against the Athletics in Boston. I didn't think I had it coming, but the fans got on me just the same. This isn't the life for me. I can get along without it."

Williams went to the Red Sox with the reputation of being eccentric and having a bad disposition, but appeared to have outgrown his kid habits.

But when he let the veteran Roger Cramer run down a ball that got through him this spring, Cramer told him he wouldn't look so good in a similar situation again.

They had words... the kid and the veteran.

Joe Cronin is confident Williams will snap out of it, and accomplish all the great things of which he is capable, but right now—even though this should be their year—Doc Cramer and other Red Sox wouldn't care if Temperamental Teddy grabbed a fireman's hat and hopped the first hook-and-ladder that came along.

They figure they have babied him long enough.

Jimmy Foxx and Lefty Grove, who have been performing feats of baseball magic these many years, still can lift a rabbit out of a hat when occasion demands.

Occasion demanded yesterday and these two long-time associates beat the St. Louis Browns 3 to 1 to preserve the Boston Red Sox's shaky half-game grip on the American League lead.

Grove has been tottering for weeks as a starting pitcher. He was getting knocked out in every game. And when he stiffened in this one he still was on the verge of losing 1 to 0 because one of the hits was a home run by Chet Laabs.

Then Foxx, who has shared Grove's glory for years, came to bat in the ninth inning with two on and two out and poled out his 14th homer of the season to win the game.

The victory broke Boston's three-game losing streak. The Cleveland Indians were poised to take over the lead if Boston had been beaten. The Tribe's terrific infield twins, Lou Boudreau and Ray Mack, took charge of beating the Washington Senators 5 to 4 in 11 innings.

Held at bay by the fine hurling of rookie Sid Hudson for seven innings, Cleveland tied the score in the eighth when Mack homered. Then in the 11th Boudreau singled home the run that won.

In the National League Brooklyn Dodgers nursed a new winning streak to five games and moved within a game of the pace-setting Cincinnati Reds by caging the St. Louis Cardinals 9 to 5.

Pittsburgh Pirates battled Boston Bees into a tie for the cellar spot with a 7 to 6 triumph.

Chicago Cubs set off their biggest hitting fireworks of the season to trounce the Phillies 11 to 5.

The world champion New York Yankees and the Detroit Tigers both were outtraded.

Pitcher Buck Ross hit a two-run homer as Philadelphia Athletics nicked Buck Newson for three runs in the third. Then Detroit batted Ross out of the box in the eighth only to have the A's score three more runs in the last half of the same inning and win 7 to 4.

Chicago White Sox were held to three hits by Spud Chandler for eight innings, but got three more and the ball game, 4 to 3, with a two-run uprising in the ninth after New York had scored twice in the last of the eighth.

COAST LEAGUE

The Oakland Aacorns were back at the top of the heap in the Coast League today after taking their third straight game from the erstwhile leading Seattle Rainiers.

Although their lead was so precarious that a loss tonight would drop them back into second place, the advantage of nine percentage points afforded some measure of satisfaction to the Aacorns, who lost six games out of seven at Seattle two weeks ago.

The third successive win came last night when Oakland defeated Seattle 3 to 2.

Jack Salvenson, Oakland pitcher, held Seattle batters to six hits and knocked in the winning run himself.

San Francisco continued to skid toward the bottom of the standings when San Diego defeated them 13 to 3 last night.

Sacramento downed Los Angeles 7 to 4 by filling the bases in the eighth on bunts and bringing the winning run in on a single.

Hollywood shut out Portland 6 to 0 for its second win in three games with the cellar team.

Whitehead Is Cycle Winner

The Victoria Cycle Racing Club opened its 1940 season at the Cyclo-drome, Douglas Street, last night with a hang-up program in which three riders were removed to hospital with fractures and cuts.

The riders were injured in a spectacular crack-up on the fourth mile of the half-hour team race when the field jammed coming into the front stretch. Lewis Haut was bumped and lost control. He fell to the boards, his bike spinning down the slope. Leo Marchiori of Vancouver cracked into the bike and went head over heels down the track. Gordon Bell in the meantime lost control momentarily and caught his left hand in the rear wheel of Gar Warren's machine. He stayed on his mount, though, bringing it to a stop.

The result of the crack-up—it all happened in a split second—was a broken collar bone for Haut, smashed hand for Bell and concussion and a deep gash over the left eye for Marchiori.

St. John Ambulance Brigade attendants quickly rendered first aid, assisted by Dr. D. W. Graham, who was a spectator, and the boys were rushed to St. Joseph's Hospital.

The race was called off and the remaining riders treated the fans to a thrilling two-mile race which was won by Jack Barton. His time was 4:23.2. Eric Whitehead, blond-haired speedster, who topped two honors for the evening with two wins, placed a close second, and Gar Warren was third.

WHITEHEAD WINS

Whitehead won the 10-lap sprint in 1:56.43. Trailing for the first seven laps he pounded past Marchiori and Barton to cross the finish first. Barton was second and Gar Warren dove for the third spot.

His second win was in the 20-lap point-to-point event. Barton was out in front when Rusty Peden, lap official, gave the last lap signal. Whitehead went inside Barton, forcing him high on the boards, to take over the lead and the first-place honors. Warren came up fast, to tie with Barton for second place. Whitehead's time was 4:27.13.

John Burnett captured two events for boys under 16 years. Starting at scratch he overtook three riders, to win the six-lap handicap in 1:15.13. Clendon Grant was second and Bob Carlow third. In the 12-lap sprint he was first over Clarence Davies and Geldon Grant. His time was 2:58.45.

Ron Limer, class B rider, who won the Vancouver Province race on the mainland a few weeks ago, won his class event of 24 laps with a sprint every six laps, with 13 points. Frank Heller, who won the miss-and-out event, was tied for second place with Warren George. They each had eight points. Haut was next with seven points. The winning time was 4:55.

On the fourth lap of the race, Heller took a nasty spill, receiving burns down his legs. He was bumped as the field in a bunch was driving down the front stretch.

Dave Cook, a second Vancouver senior entry, was not used to the track and did not place in any of the events.

Inspector W. Calwell of the City Police Force, acted as starter.

The complete list of results follows:

Class B, 24 laps, sprint every six laps: 1. Ron Limer, 13; 2. Leo, Frank Heller, 8; Warren George, 8; Time, 4:55. 10 laps: 1. Eric Whitehead; 2. Jack Barton; 3. Gar Warren. Time, 1:56.43. Boys under 16 years, handicap, six laps: 1. John Burnett; 2. Clendon Grant; 3. Bob Carlow. Time, 1:15.13. 12 laps: 1. John Burnett; 2. Clendon Grant; 3. Geldon Grant. Time, 2:58.45. Senior two miles: 1. Jack Barton; 2. Eric Whitehead; 3. Gar Warren. Time, 4:23.2.

INJURED RIDERS RESTING BETTER

The three riders, Lewis Haut and Gordon Bell of Victoria and Leo Marchiori of Vancouver, who were injured in the opening meet of the Victoria Cycle Racing Club at the Cyclo-drome, Douglas Street, last night, were reported to be resting comfortably today.

Haut, who suffered a fractured collarbone and skin burns, and Marchiori, concussion, and deep facial cuts, are in St. Joseph's Hospital, while Bell has been taken home.

Dr. E. L. McNeven is attending Haut, Dr. D. W. Graham, Marchiori and Dr. A. E. McKinnon, Bell.

The wooden propellers for high speed work generally are made of ash or walnut.

WILL PLAY AT NANAIMO—Tomorrow night at the up-island town when Richmond Farmers and North Shore Indians, members of the Mainland Intercity Hockey League, clash in an exhibition game at the Nanaimo Arena, Blackie Black, above, will be one of the leading players in action for Richmond. The preliminary game will see the Douglas Tire juniors of Victoria battle Nanaimo Edison Mazdas. The first game will start at 7.30 and the feature at 9.15. A large number of Victorians are planning to take in the games.

Y Wins Gala

Sweeps Fine Card Page Will Help Build New Team

"Y" swimmers under Coach Archie McKinnon, placed first in 23 of 28 events offered at the Vancouver Island Swimming League's interclub gala at the Crystal Garden last evening which included six relays, two of which were city championship events.

V.A.S.C. swimmers, coached by Jim McCague, and members of the Pacific Club under Frank Hyslop, competed against McKinnon's proteges. Good performances were seen all round with fast times being registered.

"Y" seniors captured the 12 events of their class on the 10 relays. Juniors took 10 of 14 events in that section. V.A.S.C. and "Y" juveniles shared honors in the two juvenile races.

V.A.S.C. won the remaining four junior events. Pacific Club wound up with four seconds and one-third.

The two championship relay races were the junior boys' 200 yards freestyle for the Britannia Branch of the Canadian Legion Cup, won last year by the "Y" and the junior girls' 200 yards freestyle for the Pro Patria Branch of the Canadian Legion Cup? also won last year by the "Y."

Winning "Y" teams in the two events were: Boys, Stan Feden, Bob Johnston, Bob Montgomery and Hugh Reston; girls, Verna Hyde, Winnifred Pritchard, Mary Doherty and Phyllis Pritchard. Times were 1:35 for the boys and 2:15 for the girls.

PRESENT TROPHIES

Representatives from the Pro Patria and Britannia Branch, A. E. Hull and R. Knight, respectively, presented the trophies to the club captains, Ruby Walker and Don Davidson, and individual cups to the team members.

Phyllis Pritchard of the "Y" and Peter Gilchrist of the V.A.S.C., who recently arrived in town from China, both won three events in the junior girls' and boys' events. Phyllis won the 50 yards breaststroke in 45.50 yards freestyle in 31.25 and the 30 yards backstroke in 42.

Cup Soccer Final

West Ham vs. Blackburn

LONDON (CP)—West Ham United and Blackburn Rovers clash at Wembley Stadium tomorrow evening in the final for the English Football League's wartime cup. On account of the war the battle will be robbed of most of its traditional color and ceremony.

Instead of the match terminating a period of rigorous training, the players will go direct from work benches or barracks. Each of the 22 players on the East London and Lancashire eleven belong to one of the fighting services, or is engaged in war work.

The crowd will be limited to half Wembley's capacity instead of the usual 100,000 spectators at peacetime final games. One thousand free admissions for men of the British Expeditionary Force on leave has been arranged and the First Lord of the Admiralty, Rt. Hon. A. V. Alexander, will present the cup to the winning team.

C. Bicknell, captain and right-back of the Hammers, who has been out of action for two weeks through injury, is expected to lead the Londoners. The entire Blackburn eleven is composed of the players who won the second division championship a year ago.

Champion Flying 'Y' Track Squad Plans Active Season

Pacesetters Win Softball

Pace-setting Victoria Longshoremen and second-berth Cameron Lumber softball squads strengthened their positions in the senior standings last night when they emerged with narrow wins over the other two squads in A section competition.

The waterfront workers squeezed through with a 7 to 6 triumph over a game Garrison nine at Athletic Park, while Brunson's Veterans fell to defeat, 5 to 4, at the hands of the millhands at Victoria West.

The Army had plenty of power in their bats last night and the Longshoremen were considered lucky to win. The boys in khaki hammered out a pair of home runs and a quartette of singles from the offerings of "Chuck" Leeson, V.L.A. heaver, and if it had not been for good fly-shagging in the outfield the score against Leeson would have been much greater.

Going into the last of the ninth the Longshoremen were trailing 6 to 5 on the scoreboard, but a couple of two-base pokes in this session enabled them to shove across the being run and the winning run was scored when first-sacker Rube Lamb of the Garrison lost a throw in the sun.

Owen Bentley and Doug Lawford were the Army boys who clouted homers.

Army's moundsman, McCorkill, yielded eight base blows.

GET ALL RUNS IN EIGHTH

A big eighth inning enabled Cameron to gain their victory over the Veterans at Victoria West. The millhands hammered across all their runs in this frame. Harold Turner had the lumbermen handcuffed for seven innings, but in the next frame they really got to him. With two runners home and one man down, Manager Dal Munro of Brunson's yanked Turner and sent Al Bridger, their ace heaver, to the mound to try and stop Cameron. But he failed to do so. When the inning finally closed five runners were on base.

A total of eight hits were collected by Cameron, while their twirler, Booth, only gave up two safe blows.

Score by innings: Garrison 101122222-4 8 5 Longshoremen 30002003-7 7 4 Veterans 00000000-0 0 0 Cameron 00000000-0 0 0

Chinese Recreation defeated Esquimalt A.A. 10 to 6, and 13th Field Ambulance beat Duxie's Aces, 17 to 12, in D section games played last night.

JOKERS TO MEET BAYS TONIGHT

"Cut out the rough stuff and play lacrosse," those are the orders that have been posted by bosses of the Jokers senior boxla machine for this evening's battle with the powerful James Bay aggregation at the Willows Sports Centre.

When the Jokers fought Alerts Tuesday night and lost by a narrow margin, supporters could easily see how they lost it—in the penalty box. The "can" was loaded with the blackshirts all night.

"We're going to concentrate on playing the game tonight and we are going to win, too," said Coach Gus Munroe.

This game will feature a double bill program, with Owl Drug and Douglas Tire, juniors, opening the show at 7.

Bill Dale to Flash Speed For Outfit

Flying "Y" track and field team will get down to serious business tomorrow with the start of three days a week practices under the expert eye of Coach Archie McKinnon.

The team will practice on the Victoria High School grounds at 2.30 Saturday afternoons and at 6.15 Tuesday and Thursday evenings.

An interesting season faces the squad, with meets in Vancouver, Nelson, Duncan and Victoria scheduled. In past years the Flying "Y" tracksters and field artists have brought back or recaptured many honors for the Capital City. This year will be no exception from present indications.

Old members of the group will be back in the line-up along with a number of new juniors from Victoria and Oak Bay High Schools and senior additions from the army, navy and air force.

Coach McKinnon announced this morning that any boy or girl of high school age and older will be welcome on the team. Particulars can be obtained at the "Y" office or at the high school track on practice days.

FIRST MEET JULY 1

The first meet the team will compete in will be the Vancouver police sports and men's senior British Columbia track and field championships July 1. Last year the local team scored an impressive triumph at the same meet.

The squad has been invited to take part in a meet at Duncan, July 11, and the Highland gathering here July 27 will be given a strong entry.

A championship meet at Nelson, Labor Day, will most likely be attended, also a program at Nanaimo the same day.

McKinnon will be assisted in coaching runners by Joe Addison, Victoria's "Flying Cop," a veteran and talented all-around runner who will also be competing with the team.

Jim Pantan, British Empire Games broad jumper from Kelowna, will take over coaching of jumpers. He will not be available for the whole season.

Bill Dale, a protégé of McKinnon's who is making a grand showing in American college meets running for Washington State, will rejoin the "Y" team for the police meet in Vancouver, according to a letter received from Pullman, Washington, today.

His appearance with the local team should serve as a big drawing card.

The Amateur Athletic, official publication of the Amateur Athletic Union of United States, in its June publication now on the news stands, gives Dale's 880 yards run in 1:52.7 third highest standing in American performances this year. The fastest performer in the 880 so far is Lightbody of Harvard with 1:52.1. Buxton of Wisconsin was second with 1:52.5.

GASMEN TO MEET ATHLETICS NINE

Tonight at Athletic Park, Tillam Athletic, in the top berth in the Rithet Cup standings with Eagles, will clash with Pitzer and Nex in a Rithet Cup fixture. The game will start at 6.15.

Lloyd Cann will parade to the mound for Athletics. He made a fine showing in his last start on the mound, heaving Victoria All-Stars to a smart victory over Belknap in the Pitzer and Nex camp. Duff Waddell, portside, will do the heavy work.

In second division games played last night Cedar Hill Athletics fell to defeat, 9 to 5, at the hands of Tillam Cubs, while Brown bombers defaulted to Oak Bay Park. At the Indian Reserve on Sunday Victoria Indians will battle Navy in a league game at 2.30.

Injured Visitor Suffers Pneumonia

Dr. Lloyd McNiven reported today that William Gartrell of Tacoma, Wash., who was knocked down on Douglas Street yesterday morning by an unidentified driver, is in a very serious condition in the Jubilee Hospital, not as a result of injuries sustained, but due to pneumonia.

The 80-year-old visitor is not given much chance of surviving. Dr. McNiven said that when an elderly person receives such a severe shock as that suffered by Mr. Gartrell, congestion invariably takes place in the chest, which leads to pneumonia. In cases like that, the doctor said, there was only one chance in 100 of surviving.

Dr. McNiven said that the injuries caused in the accident were not serious.

A. E. Hopkins, 1243 St. Patrick Street, was a witness of the accident. He was waiting for a street car and saw Mr. Gartrell walk into the rear of a car proceeding at about four miles an hour, apparently looking for a parking spot. Mr. Hopkins believed that the driver of the car was not aware he had hit the man. Mr. Gartrell, the witness said, hit the side of the car with his arm and fell, striking his head on the bumper as he went down.

Cyclist Bruised, Cut In Clash With Bus

Fourteen-year-old John Crofton, 933 Foul Bay Road, a cyclist sustained injuries this morning at 8:50 when he and a Blue Line bus collided at Granite Road and Hampshire Road.

Young Crofton was taken to Jubilee Hospital in the C. & C. Ambulance. He suffered from concussions, had several teeth knocked out, a nasty cut on the thigh, a face cut and bruises. He was reported resting comfortably this afternoon.

According to Oak Bay Police, Crofton was turning off Granite Street to go north on Hampshire, and the bus with Raymond Hill in charge, was going south on Hampshire.

Damage to plants in Pioneer Square was reported to the police department by the city parks superintendent yesterday.

Narcotics Trial In County Court

John Caird, convicted on a charge of illegal possession of a narcotic drug was sentenced to three years in the penitentiary and fined \$250 by Judge H. H. Shandley in County Court today. In default of payment of the fine he will serve an additional six months.

Speedy trial of John Caird on a charge of illegally possessing narcotic drugs, opened before Judge H. H. Shandley in County Court today.

Ralph Thorntson, druggist, testified today he had supplied Caird with narcotic drugs under duress, that he had tried to avoid giving the accused the drugs, and that he had finally refused to produce any except at the point of a gun.

After giving the final warning witness stated he had made an arrangement whereby Caird had been given access to narcotics placed in the store safe. He, Thorntson, after removing the drugs from the safe while Caird was in the store, had gone into the store basement. The basement door had been locked after him and he had rushed around, through another entrance back into the store where he found Caird and the drugs missing, according to the witness's story.

The theft, he said in reply to question, was not genuine.

On March 31 he had given the accused tubes of a narcotic, largely of morphine content, he said.

Corpl. Geoffrey J. Haywood, R.C.M.P., produced three tubes as an exhibit. They had contained morphine sulphate, witness said.

Thorntson, recalled to the stand, identified the tubes as those he had previously given Caird. The empty phials, he said, had been returned by Caird and put in the safe to hide the discrepancy in stock, witness testified.

He admitted supplying narcotics to Ruth Caird, wife of the accused, and stated he had received some money from her for some of the drugs.

Frederick Blakeney, sign writer who uses premises at the rear of the store in question, testified he had seen Caird and Thorntson in earnest conversation in the store at various times.

Corporal Haywood gave further technical evidence on the morphine tubes produced as exhibits and stated Caird was known to him as a drug addict.

Dr. E. L. McNiven identified Caird as a patient for whom he was summoned at police headquarters. He had examined the man to determine whether or not withdrawal of narcotics from Caird would have a fatal effect, he said.

Sergeant Thomas Hall told the court Caird had asked for narcotics while incarcerated.

Dr. Alfred N. Hanson, Reat Haven, testified Caird and his wife had come to that centre last year to seek a cure for addiction to narcotics.

The case is continuing, with M. B. Jackson, K.C., representing the crown and Russell Twining conducting the defence.

Mayor McGavin to Fly

Mayor Andrew McGavin will leave Victoria on tomorrow's mid-night boat to start his air trip to the Ottawa conference of the Canadian Federation of Mayors and Municipalities next week.

In Vancouver he will step aboard a Trans-Canada plane on Sunday morning and arrive in the federal capital the next day, according to his schedule.

The three-day conference will start Tuesday.

Bernie Crump Joins Beggs Motor

Addition of Bernie Crump to the sales staff of Beggs Motor Company, local dealers for Plymouth, Chrysler cars and Fargo trucks, was announced yesterday by Tom Lumsden, Plymouth Chrysler sales manager. Prior to his association with Beggs Motor, Crump has been associated with retail trade in Victoria for several years and will welcome his many friends at his new location.

Three individual letters from Douglas Street concerns were received at the City Hall today protesting a continuation of parallel parking regulations in front of their premises. The letters came from O. H. Dorman Ltd., John Cochrane and the Bank of Nova Scotia.

The city zoning board of appeal yesterday approved plans and specifications of H. V. Guest to convert premises at 1446 Gladstone Avenue into a two-family dwelling. A \$300 building permit for the work required was issued later. Two other applications were tabled for consideration on June 14.

Dean S. H. Elliott conducted the installation service in Christ Church Cathedral for the newly elected officers of the Cathedral branch A.Y.P.A. Following the installation service, members attended a social and dance in the James Bay Hall. Members were also reminded of the Communion Service, followed by breakfast on Sunday, June 9.

To bring licenses issued by the Coal and Petroleum Control Board into line on a fixed yearly basis a government order today provides that licenses issued prior to March 1 will expire one year from the date of issue, those issued in March will expire on March 31, 1941, and those issued subsequently will expire on the March 31 next following the date of issue.

A Chinese was fined \$5 and \$2.50 costs for failing to have a driver's license and \$5 on a charge of failing to stop at a stop sign, in City Police Court this morning. Five motorists paid \$2.50 each for overparking, one the same for parking in a prohibited area, and another the same for parking more than 12 inches from the curb.

Provincial Police are conducting a search in the Barre Creek country, 70 miles west of Quesnel, for traces of William Chandall, 57-year-old prospector, who is believed to be lost. His partner, A. Stewart, 57, was found dead from natural causes on the trail. Police figure Chandall got lost when he went to seek aid. Stewart was buried on instructions from the coroner at Quesnel.

A total of \$887.05, realized by the Saanich municipal employees' charity organization, has been spent in the municipality, according to a report filed this week. The medical health officers' fund for underprivileged children benefited to the extent of \$200, Christmas grocery scrips totaled \$337.05, the Queen Alexandra Solarium received \$200, and an additional \$100 went to the health officers' fund.

The Saanich zoning board composed of H. C. Oldfield, chairman, N. H. Lamont and W. E. Pithers, yesterday afternoon rejected an application from a resident of the municipality to erect a five-room stucco dwelling and store at a cost of \$2,500 at Admirals and Westing Roads. A petition signed by 22 residents of the vicinity of the proposed house and store against the erection of the building, was received.

Canadian Travel To U.S. Is Hit By Passport Ruling

When the new United States passport order goes into effect July 1 Canadians will have to show good reasons for entering that country before they are permitted to cross the border. Under the order issued yesterday by the U.S. state department all Canadians, as well as citizens of other countries hitherto allowed to enter the United States temporarily by presenting an identification card at point of entry, will have to obtain passport and visa.

Furthermore, before passport or visa receives the official O.K. those making application will have to show a legitimate purpose or reasonable need for going to the United States and prove to the satisfaction of the authorities that they will leave on the expiry of the visiting period.

It was indicated in transportation circles this morning that the demand for visas, a seasonal feature of travel out of Victoria, will virtually be eliminated by the U.S. passport barrier, unless the regulations are modified to meet the excursion trade. The special weekend rate business is also expected to be affected.

It was indicated today that the Department of External Affairs at Ottawa was preparing for a tremendous increase in the demand for passports, which now average from 25,000 to 30,000 annually.

A completed passport properly certified and accompanied by photographs, has to be submitted to the government passport bureau with a \$3 fee.

For people on the Pacific coast it normally requires about two weeks for the application to be passed and the passport issued, or a week by airmail.

The next step is for the applicant to obtain a visa from the nearest United States consular office.

It is possible that additional photographs and a nominal fee may be required for the issuance of a visa to travel in the United States.

Canadian passports are valid for five years, when they may be renewed for an additional five years upon payment of a \$2 renewal fee.

Canadian motor travel to the United States is likely to be seriously affected by the passport order.

The average of Canadian cars entering the State of Washington for several years past has been around 100,000 cars. This year it had been estimated that due to the rate of exchange, which is favorable to the United States, that the figure might drop to 60,000 cars.

The belief in Seattle is that the passport requirements are certain to reduce even that estimated figure.

During the 1939 tourist season, which ended September 30 last, 106,000 Canadian automobiles crossed the border into Washington.

Concern is manifested in Seattle as to the effect of the passport barrier on Canadian travel to Washington. It is considered so serious that the foreign trade, tourist and publicity committees of the Seattle Chamber of Commerce will meet on Monday to consider all phases of the situation.

VANCOUVER (CP)—H. R. Cottingham, president of the Vancouver Board of Trade, said today new United States Immigration restrictions would "undoubtedly" mean that many more Canadians would spend weekends and holidays in the Dominion.

A Washington announcement yesterday that Canadians would require passports to visit the United States after July 1 affected thousands of citizens planning business or vacation trips to the south and others who own summer homes on the other side of the international boundary.

U.S. Consul Paul R. Josselyn said he knew of no exceptions to the ruling and added "the regulations will also affect travelers passing through Alaska on their way to the Yukon."

Reeve J. B. Leyland of West Vancouver was afraid his municipality would get too much Sunday traffic as a result of the ruling.

"We are pleased that we will receive added holiday business," he said. "But when we think what an additional 3,000 cars would do to our already pressing traffic problem each Sunday or holiday, we're frankly worried."

Mr. Cottingham said: "It will immediately mean that more Canadians will remain in their own country. What happens to business people in the United States is their business, not ours. It is a war regulation that will cause a certain amount of inconvenience to tourists, but I see no use in kicking about it."

Lieut.-Governor Will Review Scouts

Lieutenant-Governor E. W. Hamber, accompanied by Mrs. Hamber, will open the Victoria and District Scout display at the Royal Athletic Park tomorrow afternoon at 2.30, when 800 local Scouts and Cubs and 50 American Boy Scouts from Seattle will demonstrate scout work to the public.

The American Scouts will be accompanied by Scoutmasters Bruce Winston, Edwin Druxman, Stanley Maple and Carl Spitz. Their visit will be made in return for the representation of Canadian Boys' Scouts who attended the Scout circuit in Seattle in April.

Local Scouts, after being reviewed by the Lieutenant-Governor, will demonstrate breaches buoy rescue work, knotting, splicing, first aid work and dancing. The Cubs will also have special competitions. American Scouts will take part in the demonstration.

All troops and packs of the Victoria and District Association are advised to be at their allotted places not later than 2.

Building Loan Plan Continuing

F. Brooke Stephenson stated today it is the intention of Ottawa to have a permanent office for issuing loans under the National Housing Act.

The only change in the act is that duplexes can no longer be built with a loan from the government. The tax refund on houses under \$4,000 expired at the end of May. Many applications for loans are being received.

City Recruiting Office Planned

Preliminary to the opening of the general recruiting drive next week the Canadian Scottish Pipe Band and a platoon of soldiers marched around the city streets this morning and the familiar scenes of the last war were recalled.

Next week the Scottish plan to open a recruiting office up town and the days of street enlistments will be revived.

The Scottish need several hundred men to bring them up to war strength for the third division.

HOME GUARDS TRAIN

First units of the Vancouver Island Company, Veterans' Home Guard, will go into training at Otter Point next week, Capt. R. B. Longridge, officer-commanding, announced today.

Well above the allotment of 63 men for the Victoria area have applied for service in the guard. The men are being medically boarded as quickly as possible, and the unit will be filled in a short time. The local company will number in all 250 men with 30 from Nanaimo, 15 from Duncan and others from different points in the province.

A number of recruits for the guard have already been confirmed, Capt. Longridge said. Their ranks will be swelled as others are given their medical certificates.

It has been necessary to disapprove some veterans anxious to serve because they are over the 50 year age limit laid down in the regulations. All veterans, either Canadian or Imperial, in A, B or C categories are eligible so long as they are not over the age limit.

Capt. J. B. Hardinge has been named second in command of the company.

The guardsmen will wear the same uniforms as the Canadian Active Service Force and will be fitted out as rapidly as possible.

It is also planned to give them a distinctive badge, probably the maple leaf worn in the last war.

Snead, Little Golf Leaders

CLEVELAND (AP)—Sammy Snead soared to a 74 in the second round of the United States open golf championship today and wound up in a tie with Lawson Little with an aggregate of 141 at the half-way point.

This was the leading score with most of the field in, but Horton Smith, who scored a 69 in the first round, had an excellent chance to tie or lead both of them.

Jimmy Demarest of Houston, and Clayton Heasler, the big Carolinian, tore up their cards on the second round and quit in disgust. Demarest, outstanding star of the last winter tour and one of the top favorites to win the open, actually shot an 81 today but refused to sign his card to make it official.

Ralph Guldahl finished just before the big wind hit the course, taking a 71 for the round and a two-day total of 144, to remain in a challenging position. Frank Walsh, Rumson, N.J., veteran, turned in 36-33—69 for an aggregate of 142.

Walt Hagen shot another 70 and with his total of 152 had a fair chance of qualifying for tomorrow's final 36 holes. Johnny Goodman, former open and amateur champion, added a 79 to his opening 80 and was well out of it.

BIG OVATION FOR GIRLS' DRILL TEAM

Word was received by wire this morning by G. I. Warren, publicity commissioner, from Norman Foster, director of the Victoria Girls' Drill Team, that last night's performance of the group in the opening day of the Portland Rose Festival, was an outstanding success.

The team gave a display in festivities at the Multnomah Stadium. They will remain in Portland until Saturday.

Mr. Foster's wire follows: "Team surpassed all expectations. Thirty thousand roared their approval of work. Officials highly surprised. Invited us to perform at stadium again tomorrow while parade forms, and also take part in parade. Flossie Hughes and self were interviewed over Mutual Network."

there is a movement afoot that the convention two years hence should be held in this city, which would be the first time outside the United States.

At the Pacific coast regional meeting of the National Council of State Garden Clubs in Portland yesterday, the delegates endorsed Victoria as the meeting place for the 1942 convention.

The provincial government, through the Department of Trade and Industry, has sent an invitation to this effect to the New Hampshire convention.

Mrs. Alma Taggart Of Sylvia Dies

SHAWNIGAN LAKE — Death visited the fast-thinning pioneer ranks of this district with the passing yesterday afternoon at the King's Daughters' Hospital, Duncan, of Mrs. Alma M. Taggart. Mrs. Taggart was born in Niagara Falls, N.Y., in 1837, and came as a bride to this district over 50 years ago.

Until the time of her death she had resided with her son and daughter-in-law, Mr. and Mrs. G. P. L. Taggart, at their home on the Cameron-Taggart Road, Sylvia.

In her younger days the deceased was a prominent community worker in the district, and was the first president of the Shawinigan Lake Women's Institute 25 years ago. She was untiring as a leader in women's war work during the first Great War.

Mrs. Taggart is survived by her son, G. P. L. Taggart, at present at Nipinat Lake; her daughter-in-law, Mrs. G. P. L. Taggart, and a grand-daughter, Jean, at home; a grand-son, William, Vancouver, and a niece, Mrs. J. J. Dickson, Nanaimo.

How to Overcome Piles and Rectal Soreness

If you are annoyed with itching piles or rectal soreness, do not neglect the matter. It is a warning of a serious condition. It is nature's warning and proper treatment should be secured at once. For this purpose get from Modern Pharmacy and Cunningham Drug Store or any druggist, a package of Hemroid and use as directed. This formula, which is used internally, quickly relieves the itching and soreness and aids in healing the sore, tender spots. Hemroid is highly recommended, is easy to use and it seems the height of folly for anyone to risk an operation when a simple remedy, which is so pleasant to use may be had at such a reasonable cost.

Betty Field and Lon Chaney Jr. in a scene from "Of Mice and Men," now at the Dominion Theatre.

UNDER FIRE—Major-General A. G. McNaughton and his party were under a hail of enemy fire all the way to France and back, it was disclosed in England. They went to make preparations for the landing of Canadian troops in the Dunkerque area, a move which was called off only five minutes before the troops were to sail.

Health Insurance Plan Proposed

OTTAWA (CP)—A national health insurance scheme will be proposed in Parliament by Mrs. W. D. Nielsen, Unity, North Battleford, Sask., according to a practice of motion published today.

She will ask the government to consider a health insurance plan "to safeguard the health of the nation, which will be jeopardized by the present war, to provide: (a) Full medical inspection of all citizens under the supervision of responsible Dominion health officers; (b) free medical and hospital treatment of all families whose combined incomes are below \$2,000 per annum; (c) a system of voluntary low-cost contributory health insurance for all others."

Liquor Sale Scored By Victoria Pastor

ST. CATHARINES, Ont. (CP)—Governments which make a profit from the sale of liquor and homes with cocktail shakers as standard equipment can hardly be regarded as truly Christian, Rev. J. L. W. McLean of Victoria told the 66th General Assembly of the Presbyterian Church in Canada last night.

Christians might well consider just how Christian their civilization is, he added. "Only in the face of stark ruin do we realize where our salvation lies.

ANSWER: Step a few feet to one side and stay there. Never stand behind, for the trunk may kick back. Never run away from the tree.

Dorothy Dix's Letter Box

DEAR MISS DIX—Two and a half years ago a girl I know asked me to go steady with her. I couldn't hurt her feelings by refusing, so I agreed to do so. But about a year ago I began to grow tired of her and told her I would like to quit and she took it very hard and on one of our dates tried to take poison. I just happened to see her in time to forestall any serious consequences. This frightened me and made me feel that, if she had died, morally I would have been her murderer, so I begged her forgiveness and asked her to go steady again. Now the old urge for freedom is strong upon me, but I can't bring myself to mention the subject again. I am afraid she would kill herself. What must I do?

JIM.

ANSWER: Brace up your backbone and quit. Do it in a hurry, or else some day you will find yourself marching up the church aisle with a girl who has simply bluffed you into marrying her.

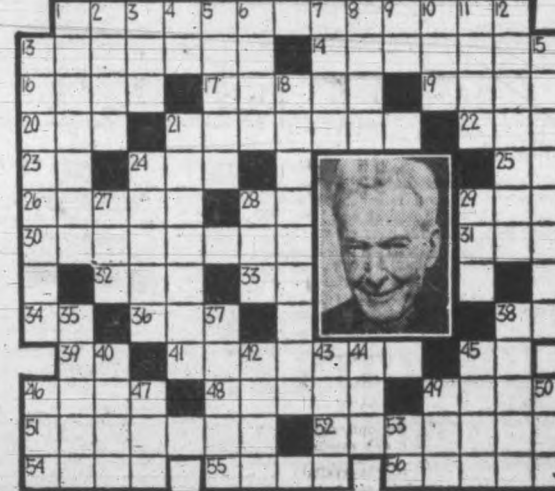

And there will be no happiness in that for either one of you, because you will always be resentful of her having taken advantage of your weakness. If you are tired of her before you marry her she will bore you afterward until you take to drink and you will come to feel toward her as if she were your jailer. And she will be miserable because she will always know that you don't love her and didn't want to marry her. She will be so jealous of every woman you speak to that you don't dare say "good morning" to your own grandmother.

DEAR DOROTHY DIX—I am a sophomore in college, taking a six years' course. A girl and I are deeply in love and are thinking about becoming engaged. Do you think our love for each other will last until I have graduated from college and have got a job.

ANSWER: Not much adolescent love lasts that long and it will be better, both for you and the girl, to take an option on each other's hearts than to enter into a definite contract. By that I mean just keep on being good friends; sweethearts if you like, with the understanding that if you are still in love with each other seven or eight years hence you will get married. An engagement can be like a ball and chain about your feet and you will be the happier for being free of it.

DOROTHY DIX.

HOROSCOPE

SATURDAY, JUNE 8

Venus is in a sway most fortunate for women. Under this configuration shipping should be fortunate and trade lively east and west, despite political uncertainties.

Romance should flower under this direction of the stars, which inclines youth toward affairs of the heart. Students of both sexes may be unusually susceptible today, which is favorable for social events. Recognition of women in political organizations will be cordial, but will not lead to remunerative appointments in the future.

Neutrality laws will be forgotten as the European war advances. Our national needs will bring large returns to merchants and manufacturers of the United States. Food conservation should be practiced. Farmers should profit this season.

Strict policing of the Pacific Ocean is envisaged as a service to be performed by the United States navy. As the kaleidoscope of war changes the map of Europe, we will become involved in hardships never foreseen.

Persons whose birthdate it is have the augury of a year of progress. Exceptional happiness in the family is foretold.

Children born on this day probably will be intuitive, sensitive and lovable. Many will have unusual talents for music or painting.

TOURIST WORK TOLD KINSMEN

"The more tourist attractions we have the longer tourists will stay," Frank Waring, chairman of the tourist trade group of the Chamber of Commerce said to members of the Kinsmen Club at dinner last evening.

Mr. Waring spoke of the work that the tourist trade group of the chamber was doing to attract visitors from all parts of the continent.

He told the Kinsmen of Saanich Strawberry Week which starts tomorrow under the sponsorship of the group. The object of the week was to make Victorians strawberry conscious and to advertise the size and flavor of the berries grown in the municipality, far and wide.

Herbert Sabiston was in the chair in the absence of the president, Victor Gilbert.

War Savings Drive Launched

BISHOP H. E. SEXTON LT. GOV. E. W. HAMBER F. E. WINSLOW

MISS SARA SPENCER REV. G. A. REYNOLDS E. F. FOX

Men and women who will promote Victoria's war savings received their marching orders and instructions at a dinner at Spencer's last night when they heard talks from Chris Spencer, B.C. chairman of the war savings committee; Eric V. Chown, his assistant; F. E. Winslow, local representative of the Board and leaders in the religious, professional, business and club life of the city.

"We all must make sacrifices of capital," His Honor the Lieut. Governor declared in proposing a toast to Canada's fighting forces. "What they have done in recent weeks will go down in history," he said, "and we at home must show our appreciation, must show we are with them to the limit of our ability."

FOR CONSCRIPTION

Rt. Rev. H. E. Sexton, Bishop of Columbia, said: "I would welcome any movement to achieve victory, yes, even conscription. I'm 100 per cent in favor of conscription to win this war."

Rt. Rev. John C. Cody, Bishop of Victoria, said: "In this war our fighting men are combining temporal and spiritual values. They are surely fighting the cause of civilization. I will do everything in my power, morally and physically, to back up this campaign."

Rev. G. A. Reynolds, president of Victoria Ministerial Association, said: "We are not fighting because we hate the Germans, but because we love our freedom and our liberty more than we hate the Germans—if we lose those things what is there left to live for?"

Mr. Spencer told something of

the cost of modern fighting equipment. He said there was an absolute necessity of raising money for such purchases.

"The financial problems cannot be met by taxation entirely—it must be met by borrowing, not only from the rich, but from everyone in the country," he said.

The action of the Lieutenant Governor in donating \$100,000 to Canada's war effort was an inspiration to everyone to do his bit, he said and the savings campaign brought before everyone the opportunity of serving. Every child, he said, would have the opportunity of investing.

CONTINUES EFFORT

Duncan MacBride, chairman of the Greater Victoria war savings committee, said: "There must be a continuous effort to obtain the surplus wealth of the country—it is not a gift you are asked to make, you will get returns for your money. Victoria will not be found behind the rest of Canada in this war effort. We already have before us the splendid example of His Honor and the Victoria Longshoremen's Association."

"This work requires action instead of mere talk," Mr. Chown said, in instructing the various committees in their work of contacting the public. "A super effort is being made to correct what mistakes have been made, so don't let us worry too much about the past, but get on with the work of reconstruction. We are spending \$2,000,000 a day and we'll spend more if necessary."

DESIRE FOR PEACE

"We need something to keep us busy in gloomy periods like the last week," said Percy C. Richards. "We need something to drive away hatred from our hearts—we must have no hatred,

only a desire for peace—such work will keep us busy."

W. T. Straith, M.P.P., said: "This is an opportunity for us all to put our shoulders to the wheel at home if we have no opportunity of taking part with the boys in the front line. We in our own small way can assist them—we, as breadwinners for the nation should help with every surplus cent."

Herbert Anscomb, M.P.P., said: "This is not a question of giving, but of investment in the greatest country God ever gave to a civilized people."

Miss Sara Spencer, speaking for women's organizations, said the women of Victoria would put the drive over, as they had done in so many other cases.

E. F. Fox, president of the Victoria Trades and Labor Council, said: "Organized labor is behind every effort the government is making to bring victory."

WORKING COMMITTEES

Mr. MacBride read his committee as follows: W. T. Straith and K. C. Drury, as his assistants; Bishop Sexton and Bishop Cody, churches; J. J. McKenna, social agencies; Miss Sara Spencer and Mrs. R. W. McClung, women's organizations; Parent-Teacher groups, P. E. George and Mrs. George Ingledew; Alderman R. A. Dewar, City Council representative; J. W. Jones and C. S. Henley, financial groups; E. F. Fox, labor organizations; C. W. Pangman, bankers; C. H. Gardiner, post office; George MacDonald, retail merchants; J. V. Johnson and T. L. Sturge, Chamber of Commerce; K. C. Drury, P. C. Richards, H. M. Diggon and J. M. Robertson, public relations; W. T. Straith, R. H. B. Ker, Logan Mayhew, Hubert Lethaby, Dennis Haiger and Peter Bell, sales promotion.

Richmond Farmers Smother Indians

NEW WESTMINSTER—Defence lines of the North Shore Indians were shattered here last night as, Richmond Farmers crashed in from all angles to register a 32 to 10 victory that sent them into second place in the Inter-city Box Lacrosse League.

Indians, pre-game favorites because of the showing they made in Vancouver Tuesday in holding Burrards to a 14 to 14 tie, were at the mercy of the speedy Farmers throughout the whole game and never once threatened.

Ray Blades Fired

ST. LOUIS (AP)—Billy Southworth, manager of the Rochester Club of the International League, today was named manager of the St. Louis Cardinals, succeeding Ray Blades.

Buddy Baer in Knockout Win

NEW YORK (AP)—For about five years now the fight mob has been looking at Buddy Baer, the big "little" brother of former heavyweight champion Max Baer, and signing over the opportunities he was passing up.

"What a fighter he'd be—if he only liked to fight!" They would comment slyly. But Buddy seemed perfectly content to go on being Max's kid brother who occasionally fought in the prelims when Max was in the main bout. Now there's a suspicion that Buddy is really trying to win a big-time spot for himself.

He has knocked out Chuck Crowell, Big Boy Brackley, Nathan Mann, and last night, Valentin Campolo.

His most recent triumph was by far the most impressive. Campolo was hailed as a "catcher" who could soak up punches like a sponge, but Buddy managed to saturate him in a minute and 53 seconds of their scheduled 12-round bout. Baer slammed the Argentine to the canvas, for a count of six with the first punch, a right to the jaw. When Valentin came up they traded punches for a few moments, then Buddy found another opening to slam over his right. That ended it.

CUP FINAL BILLED FOR BEACON HILL
